

# DINESH SIRAMASETTY

## PROFESSIONAL SUMMARY

### Data Scientist

Dedicated and driven professional with a strong desire to contribute talents and skills to company development. My goal is to serve the organization and make a meaningful impact. I am committed to continuous growth and learning, excited to leverage abilities for mutual success and growth.

## PROFESSIONAL EXPERIENCE

### Rubix AI – Bangalore (Remote)

Data Science Consultant Intern | Oct 2024 – Apr 2025

#### Domain: Data Science, Business Analytics, Proof of Concept (POC) Projects

A hands-on internship focused on science techniques and delivering actionable insights to clients through strategic consulting and technical expertise.

- Delivered end-to-end data science solutions addressing real-world business problems during a 6-month remote internship.
- Applied statistical analysis and machine learning algorithms (classification, regression, clustering) to extract actionable insights from structured data.
- Designed and implemented multiple POC projects, contributing to client deliverables in data-driven decision-making.
- Collaborated with cross-functional teams on client engagements, providing predictive modeling, performance metrics, and data visualization.
- Recognized by clients and team leads for strong analytical thinking, attention to detail, and consistent project contributions.
- Bridged theoretical knowledge with practical implementation to solve business challenges and improve operational efficiency.

**Tools & Technologies:** Python, Scikit-learn, Pandas, SQL, Tableau, Power BI, Data Visualization, Model Deployment, Business Analytics.

### Digital Solutions - Hyderabad (Remote)

Health-Care App, 03/2025 to 04/2025

#### Healthcare (Accessible, Simple, Healthcare Assistance)

A healthcare solution designed to overcome geographic barriers and appointment scheduling challenges. It simplifies appointment booking and enables virtual consultations, ensuring 24/7 medical assistance.

- Designed a revolutionary healthcare solution that enhances patient care and accessibility.
- Leveraged React.js, Machine Learning, Neural Networks, AI Chatbot, and MySQL to develop an intelligent, responsive system.
- Enhanced patient care through a user-friendly mobile application, reducing delays and ensuring seamless healthcare access.

With intuitive mobile consultations and the message "CARE IS ON THE WAY," is committed to making quality healthcare accessible to all.

**Technologies Used:** React.js, ML, NN, AI Chatbot, MySQL.

## LANGUAGES

- English, Hindi, Telugu

## CONTACT

**Address:** Vijayawada, 520003 India,

**Phone:** +91 7995754425,

**Email:** siramasettydinesh@gmail.com.

## PORTFOLIOS

- LinkedIn
- MY Portfolio
- GitHub

## EDUCATION

B. Tech, EIE,

**Velagapudi Ramakrishna Siddhartha Engineering College** - Kanuru, Vijayawada.

INTERMEDIATE, MPC,

**Narayana Junior College** – Gullapudi.

SSC,

**Ravindra Bharathi Public School** – Vijayawada.

## SKILLS

- Programming Languages:** Python, JavaScript, SQL.
- Big data analytics:** Spark
- Soft Skills:** Problem-solving, Teamwork, Communication.
- Machine Learning & AI:** Neural Networks, Deep Learning, NLP.
- Databases:** MySQL, MongoDB.
- Business Intelligence (BI):** Tableau, PowerBI.

## HOBBIES AND INTERESTS

- Exploring music for relaxation and focus.
- Programming across multiple languages.
- Researching Machine Learning and AI concepts.
- Gaming and solving logical problems.

## CERTIFICATIONS

- Data Science Foundation (DSF)** – IABAC | May 2025.
- Certified Data Scientist** – DataMites | May 2025.
- Think Logic** – Automation Testing | Oct 2024.
- ideation'22 Merit** – ACIC-KL | March 2022.
